

MISSISSIPPI LEGACY CIRCLE LETTER OF INTENT

Many donors choose to leave gifts to charity in their will called "planned giving." This allows donors to invest in the future of the community they love, and the Community Foundation for Mississippi (the "Foundation") is uniquely positioned to help charitably minded people to give to all of the charitable entities they are passionate about.

This Letter of Intent will allow you to simplify your planned gift. All you have to do is provide the sample gift bequest language below (see "purpose of Gift" and "nature of My Bequest" sections below) to your attorney or professional advisor when planning to include a gift in your will or estate plan for the Community Foundation for Mississippi. Then notify us so that we can ensure your gift will benefit the causes you care about most and in the way you intend. We are happy to work directly with your professional advisors throughout this process if you desire. To the extent that your bequest consists of assets includable in your gross estate, the value of your bequest will qualify as a charitable deduction to the extent allowed by law.

As an expression of my commitment to enhancing the quality of life in my community, I declare my intention to help provide a forever gift to the charities, church or school that I am passionate about by leaving a gift through my will or estate to the Community Foundation for Mississippi. I understand that I am not making a legal or binding commitment upon my estate by submitting this Letter of Intent.

Gifts made during life are effective when received by the Foundation. Gifts conveyed via testamentary instrument (e.g., a will or revocable trust) are not deemed complete until death and you may amend your will any time prior to death. Once the gift is transferred to the Foundation, it becomes final and is not refundable. The Foundation does not provide tax, legal or accounting advice. Any information in this Letter of Intent has been prepared for informational purposes only, and is not intended to provide, and should not be relied on for, tax, legal or accounting advice. You should consult your own tax, legal and accounting advisors before finalizing your estate plans and any gifts or bequests you desire to make.
